Dear Mr. Casey:

As Co-Chairmen of the Cordell Hull Speakers Forum at Samford University's Cumberland School of Law, it is our pleasure and privilege to extend to you an invitation to address our student body.

It has been a proud tradition at Cumberland in recent years to provide our students with Forum speakers composed of major policy makers, political figures and notable leaders in the business and civic communities. Previously, our speakers have included such distinguished personalities as Ronald Reagan, George Bush, Jimmy Carter, Zbigniew Brzezinski, Melvin Belli and Ralph Nader.

Cumberland is the largest law school in Alabama and its Forum program was named "Most Outstanding Student Bar Project" in the nation by the American Bar Association for 1980-81. Your audience would include law students from thirty-four states, college students and members of the Birmingham community. Additionally, we have an excellent relationship with the state and local news media, so as to assure you of extensive coverage during your visit.

May we suggest any Tuesday or Thursday during the period of September through mid-November. We can be flexible on which weekday if necessary to accomodate your schedule. The Forum programs are scheduled at 11:00 a.m. for one hour and we would like to host a luncheon in your honor following your address.

Because our program is funded entirely from student activity fees, we regret that we are unable to offer honorariums; however, we will of course, pay travel expenses and hotel accomodations.
